

PRE-K newsletter

Hey K4 Parents!

We had a dinostastic last week with our dinosaur unit! Building sand fossils, hatching dino eggs and fun dino crafts kept us all busy! We will continue our theme about animals, "Big & Small: God Made Them All." This week our focus will be on BIG animals...Hippos, Giraffes, and Elephants...oh my! Wear animal prints or an animal shirt on Tuesday, not required, just for fun! This week will be a "Review Week" of the letters, numbers, colors & shapes we have learned the last few weeks. Every 3-4 weeks will be a review week through the year. This week students may bring a Show & Tell item that begins with a L, F, or E on Thursday. Please continue to practice writing these letters and numbers with your child at home. We will also begin to really focus on having each child learn to write their name. This is another great thing to practice with your child at home!

Reminders

I invite you to join us after drop off on Thursday, Sept. 10 around 9:00am for a preschool parent, "Coffee, Chat & Connect" time in the Fellowship Hall. We will have coffee, yummy snacks, chat about the year so far and look forward to upcoming calendar items and we hope to see you there!!
